A Remedial class has been taken up to the following selected students of IBA, II BA & III BA so as to enable them to catch up with the other students of the same class as these students are lagging behind to understand the content of those lessons. A detailed study of the main topics of the syllabus was discussed and made sure that the students are able to understand the lessons better.

Hence, a remedial class is taken to make them feel confident in the area of discussion.

All the remedial classes taken up by Dr K. Daya Sagar Babu.
